

Our P&C has an important job to do and we would love you to be a part of it.

P&Cs are an essential part of the school

P&C volunteers are dedicated parents and community members who want to contribute to the management and improvement of their school.

The Parents and Citizens' association (P&C) is managed by an executive committee who, with other P&C members, work closely with the school principal for the benefit of the students at the school.

What do P&Cs do?

- Consult on school policy decisions
- Financial planning and budgeting
- Manage tuckshops and uniform shops
- Assist with school functions
- Manage outside school hours care
- Plan events and fundraising activities
- Apply for grants

P&C membership is free and you can choose whether to attend the regular meetings. Even if you are not able to attend meetings, being a P&C member is a great way to learn what's happening at the school and to have your say.

Children do better when parents are involved

We all want the best for our children, and recent research has shown that students whose parents are actively engaged with their education do better and are happier at school.

You can show your children how much you value their education by being involved in the P&C.

Your skills and hobbies could be put to great use and volunteering even a small amount of your time will benefit your own children and other children in the school community. You could also gain work experience and develop new skills.

Attending P&C functions provides an opportunity to network with the principal, teachers and other parents so that you can discuss the issues that concern you and share your ideas and experiences.

P&C members suggest and implement positive changes at the school - and the funds we raise have a lasting impact through building improvements and providing classroom "extras".
